I AM THANKFUL FOR MANY THINGS...

Dad

I am thankful for my dad because he gives me something to eat. He also loves me. My father sleeps with me. He cleans the house for me and he helps me with my homework. He keeps me safe.

Family

I am thankful for my family because they protect me. Because they cook for me. Because they love me and they protect me. Because they help me with my homework.

God

Because he made us. Because he gives me air. Because he gave me my family. Because he gives us money and he gives us food.

Myself

I am thankful for myself because I am alive. Because I am an important person. Because I can make many friends. Because I want to be a doctor.

Friends

Because I would play by myself without friends. Because I would go and walk alone. Because I would play with nobody. Because I would be sad.
