ThanksGiving

Thanksgiving, the time of year to gather together as a family and give thanks to all the things that happen in our lives. I'm thankful for all the opportunities, privileges, and blessings that happen in my life.

I'm thankful for for many things such as a roof over my head, the clothes on my back, and food that is put in my stomach every day. I'm also thankful for my friends. If I didn't have them, my life wouldn't have laughter, joy, or fun. But most of all, I'm thankful for my parents. My parents work hard to provide for me. They also make my dreams become a reality. They give there all every day to keep me safe, healthy, and happy. Without them, my life would be incomplete.

After all , I'm grateful for every second of my life. The amazing things such as opportunities, privileges, and blessings to the people I know. What are you thankful for this Thanksgiving?
