"What are you thankful for?"

Essay by Emily Mical

Submitted by Mrs. Monroe's 5th Grade Computer Class

This year I am thankful for my new house. I am also thankful for all of my siblings and being able to travel. I am also thankful for my school and that I have food to eat.

I am thankful for my pet and for my friends. I am especially thankful for the roof over my head. I am also thankful my family.

I am also thankful for Senator Panepinto for letting us participate in this Thanksgiving essay.
