

Name: Emily Paulino

Date: November 9th, 2015

Class: ELA, 6th Grade

School: I.S. X303 Leadership Community Service Academy

Prompt: What are you thankful for this year?

This year, I am thankful for several things. I am thankful for my family and friends. I love them so much. I am thankful for the food and the clothes that I have in my house. In fact, I am also thankful for being born healthy, smart and being nice to others. These are the many things that I am so thankful for this year.
