"Teaching Minds, Touching Hearts, Transforming Lives"

October 2015

"What are you thankful for?"

Essay by Emma Schaus

Submitted by Mrs. Monroe's 5th Grade Computer Class

This year I am thankful for lots of things like my parents, my school, and my life. Everyday children are thankful for what they have or what they do. People are probably thankful for their jobs and for children getting a good education.

I am thankful for my parents because they look after me and support me. When other kids are hurt, upset, or lonely, my parents are there. I had made a promise to my mom and dad that I would take care of them because they took care of me. I am also thankful for my teachers being so wonderful to the students of St. John's. I am lucky!

I am also thankful for our Senator Panepinto; for allowing us to Participate in this Thanksgiving Day Essay.
