Thankful for

Mom

I am thankful for the art my mom does with me. My mom makes me food and is a good cook. Mom relaxes with me every day.

Dad

I am thankful for my Dad. I love my dad because my dad teaches me football. My Dad likes to play football with me.

Best Friends

I am thankful for Kai, Grant and Robert, my best friends. I am thankful for my best friends because they like to play with me. Kai's Minecraft world is amazing! I got to go outside of the Minecraft house. It is awesome!

Family

I am thankful for my family. My Grandparents mostly let me do my homework later, because they like to spoil me a lot. I am also thankful for my sister. She cries a lot because she has growing pains.

Dog

I am thankful for my dog Duke. She doesn't do much but she does play with me. I don't play with her that often but she mostly is cute.
