

## What I am Thankful For

Hello, I am Griffin Jacobs, and I go to Weber Middle School.

This year, I am 11, and I am thankful for many things. But one main thing that I am thankful for is that my family is healthy. Just recently my grandpa was sick, but thankfully, now he is okay. Also, my family gets together a lot with other parts of our family, including grandparents, cousins, and aunts and uncles. For example on October, 22, 23, and 24th, 2015, my family went to Walt Disney World together and all had a great time.

That is what I am thankful for.
