There are many things I am thankful for. I am thankful for my life. I am thankful for God and Jesus. I am thankful for my house and my Armenian school and church. All these things help me learn about my culture and who I am.

I am thankful for my family. I am thankful that I have shelter, food, and water. Some people don't have these so I am lucky. I am thankful for my teachers, principal and my education because they have taught me a lot of things. I am thankful for electronics because without it, I could not look up new information or play games. I am thankful for my Armenian soccer team and my American soccer team because when I grow up, I want to be a soccer player.

I am thankful for my country and their military. They fought for our country so that we can be free. I am thankful for my test grades and healthy body parts. I am thankful for cars because cars drive you places like soccer practice. I am thankful for airplanes because they fly you to places like Barcelona, Lebanon, and Armenia. I am thankful I know how to read, write, and do math, science, and social studies. I am thankful to the world. I am thankful for everything.
