

I Am Thankful

By Colleen Costello

I am thankful to be me.

I am thankful for my family.

I am thankful for the roof above my head.

I am thankful for my soft, cozy bed.

I am thankful for the food I have to eat.

I am thankful in the winter to have heat.

I am thankful for the things I see and hear.

I am thankful for the things far and near.

I am thankful for everything around

Whether it is up high or on the ground.

I am thankful to see the stars that shine so bright.

I am thankful for each day and night .

I am thankful to be me every day.

I am thankful to be me in each and every way!
