

I AM THANKFUL for the United States of America. Also, that I was not born in the 1700s when slavery took place .Therefore I was not beat and not hurt. I am thankful for the animals and for the meat they give us ;if we don't have them we will starve. I am thankful that we have school so we can get a job and have money and make a new family. I am also thankful for my family and for raising me.
