I'm Thankful For My Parents

Every morning I wake up,
I lift my hands and thank God
for waking me up for another day.
I'm thankful for my mom and dad
for taking care of me.
I Love you dad for always taking me shopping
for my favorite toys and chocolate
and my mommy for always cooking my favorite meals.
You always have a smile on your faces even when I do wrong
Like not eating all my cereal and vegetables
You Love me like no other can
and help me overcome all my fears.
No matter where I go, or what I become
I know I can always depend on both of you
I'm very lucky for having parents like you
I Love You Mom and Dad
Thanks for Blessing me with so much this year.
