I am thankful for a lot of things. I am thankful for my family. My Mom and my Grandma make me foods that are good for me and that's why I love them and they love me . We do fun things together like go to parks and ride rides . I love my 2 labs Milo¹ and Shiloh and my cat Pluto. They make me happy when I'm sad. They keep me busy and they will play with me. I'm thankful for school because school helps me learn. School helps me get better grades. In school I can make new friends. I am thankful for my family, pets and school.
