

Thanksgiving

I am thankful for my family, home and the world. The first reason I am thankful is my family. In my family I have my Mom, Dad and two sisters. One is Ava. She is 13. The other one is Aubrey. She is 2. I also have a brother named Jack. He is 11. One weird fact about my family is most people's birthdays are all squished together! Jack's is on January 8th. Mine is on January 26th, my dad's is on January 31st and my mom's is on February 11th. But my sisters' birthdays are spread apart. Ava's birthday is on May 1st and Aubrey's birthday is on October 7th.

The second reason I am thankful is my home. My house is very nice. It has 4 floors. My brother and I share a room. We have bunkbeds, too. My brother Jack is on top and I'm on the bottom.

Last, but not least, I am thankful for the world because without the world I would not live and sports wouldn't be a thing and we wouldn't have anything I am thankful for. Those are the reasons I am thankful.
