What AM I Thankful For?

I am thankful for my mom and dad.

They always have so much love they make me glad.

I am happy that I have a sister and a brother.

Life wouldn't be the same without each other.

I am thankful that I have a house unlike some others who don't.

If somebody had a choice, I don't get how they would say "I won't."

I'm thankful that I can play many sports.

I am pleased with all the equipment my parents bought.

I am thankful that I am talented at baseball.

I also have a knack for basketball.

I am thankful that I have grandparents that love me so much.

They always know how to give me the right personal touch.

My life would not be so thrilling, if I just sat around chilling!
