I am Thankful For

Family

I am thankful for the people in my family. I have my mom, dad, brother, cat, fish and dog. My mom cooks delicious food. She helps me global up some healthy foods. My dad gets me all the stuff. If he did not, I would still love him.

Friends

I am thankful for my friends. My friends hold my back. They are really nice because they pick me when I am feeling blue. I hope you would too.

Teachers

I am thankful for my teachers. Without teachers we could not learn anything at all. We would not be smart. Also, we would not have jobs. I hope you have a job too!

Dog

I am thankful for my dog. My dog is nice because he does not bite a lot. He takes with me and he takes my laundry. It is funny to watch.

Cat

I am thankful for my cat. My cat sleeps with me and he cuddles with me. He jumps fences. It is cool to watch my cat. He is the best because he loves me.
