

I Am Thankful For

Our warm home wrapped in love,
Our friends and family
All happy to be together.

And I am Thankful

For our hearts full of joy,
Our smiles brighter,
Glad to celebrate with each other.

And I am Thankful

When we celebrate together
The joys of the season,
God's beautiful creations.

And I am Thankful

For the board games we play,
The pies we bake together,
The crisp fall air.

And I am Thankful

For our laughter that rings out,
The memories we cherish,
Held close to our hearts.

And I am Thankful

For when we come together
To celebrate our blessings,
To share our quiet moments with God,

And we are Thankful.
