"what Am I Thankful for"

I am thankful for my family because they are so kind, nice, friendly, and awesome.

I am thankful for books because I love to read them and with out books I won't able to learn new things. My favorite books are Captin Underpants, My wearder school, and the black lagon.

I am thankful that my parents can buy me Shopkins. I have over 100 of them. I like to play with them with my brother, cousins, and friends.

I am thankfu for that I can play Sports My favorite sport is soccer. I play with a team every saturday and Sunday.

Overall, I am thankful for who I am and what I have.

THE END!
