"Teaching Minds, Touching Hearts, Transforming Lives"

October 2015

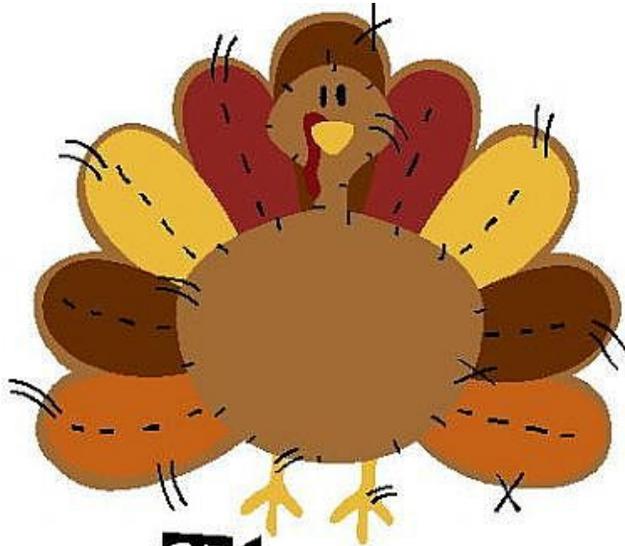

"What are you thankful for?"

Essay by Kaila Hofrichter

Submitted by Mrs. Monroe's 5th Grade Computer Class

This year was quite a good year because I moved to a new house with a pool. I also have really nice teachers, friends, and awesome parents. I am glad to have a roof on my head and food on the table.

I am also thankful for are Senator Panepinto; for allowing us to participate in this Thanksgiving Day essay.

Happy Thanksgiving
