

I am Thankful for...

I am thankful for many things in my life. Many things such as my friends and toys, but most of all I am truly thankful for my family, My beautiful home, that I have food on the table when its dinner time, that I have clothes, and that my parents can afford an education for me and my big brother Jason.

I am thankful for my family because whenever I am sad my mom and dad are there to cheer me up and make me happy. My dog Rex is so fluffy and adorable that he makes me so happy and filled with joy! And lastly my brother, who might be annoying sometimes, but when the day is over we all are thankful for what we have, where we live and the super family we make!
