

### What am I thankful for?

I am thankful for many things, including my family. I am thankful to my family because they love me. My family provides almost everything I have, like the house I live in, the bed I sleep in, the food I eat, the roof over my head, and even my annoying cat. I am also thankful to my friends, and my teachers, and many other people. My teacher teaches me and educates me, my friends help me and play with me, and my cat sits on the couch and purrs all day.

I am also thankful that I am not in bad places, like places that are in war. I am thankful that I live in the United States of America. There are many places I could be. I am very lucky that on Thanksgiving I can have a feast with my grandparents, aunts, uncles, cousins, siblings, and parents around me. I do sports and many activities that my dad takes me to every day even though he works full time, and my mom does many chores every night even though she works full time. Also, I am safe and sound in my bed every night, and am very fortunate that I can go to sleep peacefully. For all of this I am very thankful.
