What Am I Thankful For

What am I thankful for? The question you ask,
I am thankful for the things you can't buy in a store.

For the air that I breathe, and so much more,

So many things,

The sun that shines, the birds that sing.

My family, my brothers, mom and dad,

They teach me so much,

For that I am glad.

I am thankful for my teachers, my friends, and for school,

I am thankful for learning, and for following rules.

I am thankful for memories and fun times I have had.

I hope for so much more and for that I am glad.

I am thankful to be athletic, I love to run and play,

I am thankful for basketball and rainy Saturdays.

I am thankful for movie night

And time with my family.

I am thankful for laughter and the stars and the sea.

These are all gifts we can't buy in a store,

They are hopes and dreams and so much more.

I am grateful and thankful to have all of this.

But if I had to ask for something it would be a wish.

I would wish that all people would be happy and good,

To be nice to each other, I think that they could.

If my wish would come true, think how great it would be,

Then everyone can say they are thankful like me.
