What I am thankful for

The 4 most awesome and coolest things in the world that I am thankful for are oh wait can't be a spoiler going to have to figure it out yourself.

I am thankful for making the a team I worked so hard, I was so scared that I won't make it as soon as my year was over I started to worry about it I wanted to make good friends it was the end of try out and we got a message of who made the team and who didn't I was so happy when I saw my name on that list I am so thankful for making the team.

I am also very thankful for my family because what they do for me. For example they let me go to a ranger's game. They let me go to Montana they bought me a dirt bike, a snowmobile, and they give me so many present for my birthday. They let me have parties and they let my brother have a huge 13 birthday party with about 100 people were there, they bought him 12 pizza for is birthday party .They buy me cloth they gave me a bed they give me everything I want they bought me a iPad, iPod, Wii, Xbox and they bought me a Ds. They let me go to Disney land, it was so much fun we went when I was six years old we were in flodia for about a week. That is what I am thankful for

I am also thankful for having my house because it give me a place to live and sleep I am capable of having a fire and we can play hiding go seek and I can get cozy some people in the world don't have anything they don't have houses. I feel bad for them and I feel lucky to have a nice and beautiful house that I get to live in.

I also feel thankful for having my school because I get to see my friends, I get to learn I could get to go to a good job and I could go far in life I could also play gym and I get to learn what happen back then and I learn math that comes in handy during shopping that is what I am thankful for this year.
