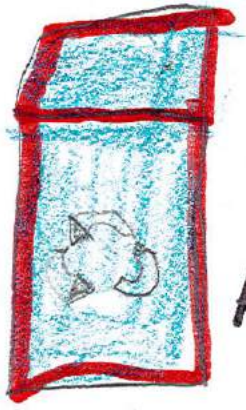
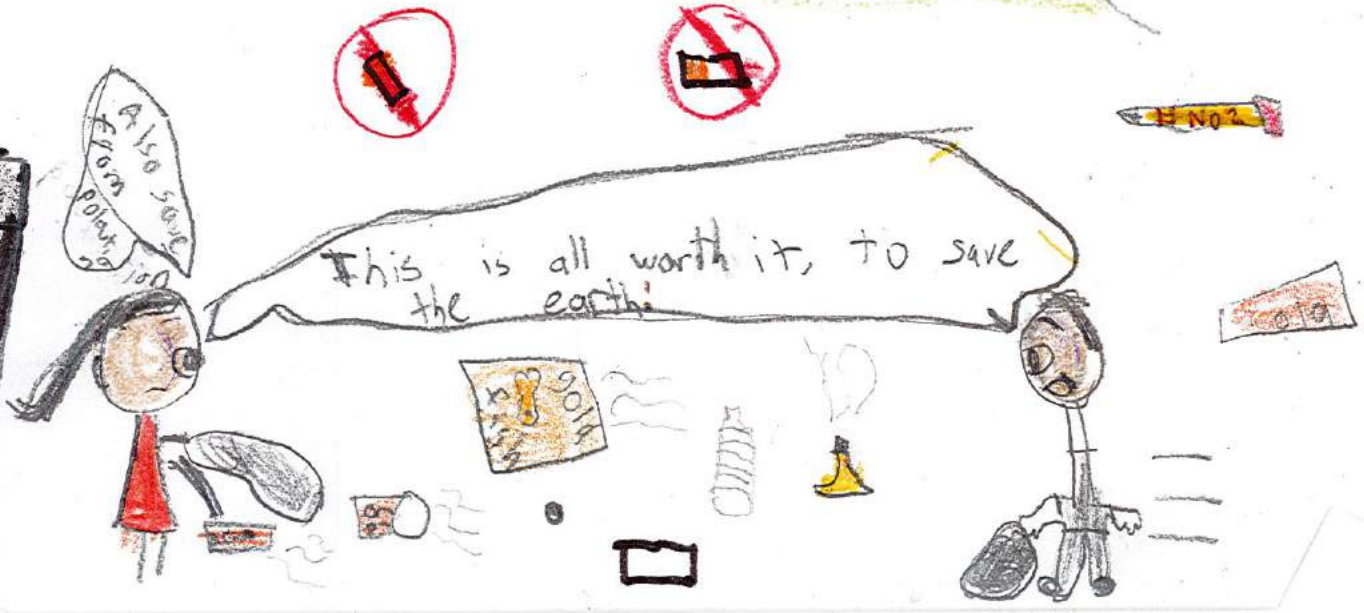
Take care of the earth



Alan J. Herrera



Name: Mia Perez

The earth needs US!

The earth needs us

RECYCLE

REUSE!

Reduce!

clean air/oxygen

clean air/ oxygen

People need to save the world! animals like bugs need a good habitat to live in

The world is important!

Recycling is good because you are helping the world

OK

make the enviorment a better place

Recycle

animals need help!

Reuse!

animals need help

Reduce!
