

What I Am Thankful For

As a kid i have lots to be thankful for
Such warmth, shelter, and food
I am thankful for family and friends
And for the beautiful seasons and weather
And also this might sound small
On the contrary, it is not at all

As a American i have opportunity
Like education and school
The ability to have freedom
Is also pretty cool
So i want you know
This is what I'm thankful for

I have a loving family
And friends who are swell
Without their help and love
I wouldn't be as well
And although this may not sound like much
I am still very thankful

Last but not least i have life
Which although sometimes contains strife
Is still full of great wonder
And although you may fell life has mistreated you
You are actually very privilege
Because you always have something to be thankful for
