I am thankfull for... my family. I have The best family you can ask for. I have two brothers and my mom. My twin, Carter, is very fun and construcive. Carter and I are 10 years old. My little brother, Owen, thinks he's a powerranger. Fighting is his thing. Owen is 4 years old. But his birthday is 12/27 and carter and I's is 4/14. My mom, Noel, is AWESOME! She loves to joke and play with us.

I am thankfull for... my friends. I have a lot of friends but my top 6 are Courtny, Lana, Julia, Sammie, Verspeers (a family of 6) and Giorgia. Courtny is a sweet friend and very nice. Lana is hardworking and smart. Julia is very pretty. Sammie is the **best**. Verspeers are kind and Giorgia is small (5 years old) but **very** strong. But a great friend.

I am thankfull for my dog. My dog, Leah, is white and small. She and her brother and sisters were named after someone in Star-war. Leah is 10 years old and cute. She's very nice.

I am thankfull for many things and these are some.

I am thankful for a lot of things. All the things I am thankful for are happy things. I will share with you some of the things I'm thankful for.

I am thankful for my family. Why I am thankful for my family is because they do a lot of things for me. One thing they do for me is they help me with my homework. Another thing they do for me is they take care of me when I'm sick. They also take me on trips and other places.

I am thankful for my friends. Why I am thankful for my friends is because they help me in school. One thing they help me with is when I have no clue what to do they guide me the way. Another thing is when I get hurt they send me to the nurse. They also help me with work.

I am thankful for my dogs. Why I am thankful for my dogs is because they obay me. One way my dogs obay me is when I call them they listen. Another way is when I say time for a walk they go for a walk. Also when I squeak a toy they go after it.

AS you can see I am thankful for a lot of things. I also care and love them to.
