"What are you thankful for?"

Essay by Rachael Marx

This year I am thankful for the new students at SJS because they can be welcomed in to our big St. John's family. With our new kids' we are able to make new friends. By meeting new students; we have a chance to make people smile. I think it is a good thing to make shy people smile.

I am thankful for a new best friend to always be by my side; and for the new school year. I am also thankful for this great holiday!!!!!!

I am also thankful for Senator Panepinto; for allowing us to participate in this Thanksgiving Day essay. That is a very special thing to do for this time of year. I think that this is a great way to show how much we love Thanksgiving. This is what I am thankful for this year.
