Things I'm thankful for...

This time of the year I am thankful for many things. Some of them are my church, my family, and my friends.

The first thing I'm thankful for is my church. The reason why is that I help serve the coffee each Sunday. You get to serve when you're in the end of fourth grade. Also, you get to go to the kitchen and get some snacks like tacos and chips. We give out muffins sometimes, too. The name of the church is Grace. The second thing I'm thankful for is my family. The reason why I am thankful for my family is that they are kind, courageous, and very, very

forgiving. Their names are: Mia, John, Elie, Joly, mom, dad, Channel, Adam and the most important person ever -me, Ryan. These are the many people I'm thankful for.

The third and final thing I'm thankful for are my friends. The reason I am thankful for my friends is because I did awesome things with them. Their names are Joey, Michael, Thomas, Ashley, Faith -Joey's sister, Andrew, Owen, and his sister, Kera and Dominic plus many others. One awesome thing I did with my friends is go to a Yankee game.

These are the things I'm thankful for and also the reasons, too. Also, if I did not have any of them it just would not be the same. That is way I am thankful for them.
