

What I'm Thankful for

What I'm thankful for. I am thankful for my mom because she's a big part of me and she's always there for me. My whole family because there all a part of me, we might fight but we find our way plus there all so funny especially Austin. I'm also thankful for having a roof over my head I wouldn't care if my house was any smaller its fine only if I have any kind of house. The last thing i'm thankful for is my dad because I can't stay mad at him, he's just to funny he makes me laugh no matter what. I'm thankful for a lot but I picked a few to share.
