

Who I'm Thankful for

I'm thankful for my equine trainer, my teachers, and my mom. I am thankful for my equine coach because she helps me overcome many fears for example when I started to ride I was petrified of cantering but now I am jumping 1 foot 9 inches. I'm also thankful for her because she helps me to be good with horses. I'm also thankful for my teachers without them I would be a person who knows absolutely nothing. Also many people wine about going to school but they just have to remember that many children that are not so fortunate as us to go to school.

I am thankful for my mom because she loves me and cares for me and my sister, and she feeds me. My mom also drives me every day to school. I love my mom very much. She also sacrifices a lot of things for me.
