

Kensico's November Writing Celebration

Thanksgiving is quickly approaching! It's a special time of the year to give thanks for our families, friends, and communities. For generations, millions of Americans nationwide have enjoyed celebrating this special time of year, as we collectively pause to reflect on the many things for which we are grateful.

To celebrate Thanksgiving Day this year, the New York State Senate is sponsoring a Creative Celebration for children in grade K-6. The theme of our Thanksgiving Day Celebration is, "What are you thankful for?"

In conjunction with the State Senate, Kensico's November Writing Celebration will be to create an original poem, a 1 page essay, or a piece of artwork expressing what you are thankful for in the past year. All submissions are to be handed into Mr. Curran or Mrs. Della Sala, but also submitted electronically, preferably in jpeg or pdf format via www.murphy.nysenate.gov by November 21st. All submissions will be published online, and the student will receive a certificate acknowledging their participation from their Senator, as well as participate in our writer's breakfast in December with their families.

We encourage you to not only be creative, but also convey the important message about being thankful for the people in their lives and in their communities.

Please submit your entry with your full name and the name of your teacher to the office by Monday, November 21st.

Any questions? Please see Mr. Curran or Mrs. Della Sala.

What am I Thankful For

I am thankful for soccer. This sport has been my specialty for 6 years. I will never give up in soccer and there will always be someone to give me a boost. For example, my father is my coach, but I am also his son. He is very sweet and has a lot of faith in me. In addition, my mom and sister have been to multiple games for soccer. They have seen how I play, and also know I am a great soccer player. They believe that I will become better, and will achieve many things as well. Therefore I am very thankful to have caring family members. Now back to why I am thankful for soccer. One reason I am thankful for soccer is that my parents use the money to let me play, and enjoy the sport of soccer. Another reason is that I am good at soccer. When you are good at a sport you can achieve many things. For example, scoring 3 goals a game. Finally I love soccer. I thank God for giving me a heart that has a lot of passi

for soccer. This is what I am thankful for
this year
