

What I am thankful for

I am thankful for a lot of things. I am going to talk about a few people that I am thankful for. The people that I am thankful for are my mom, dad, brother, and my friend Lami. They make my life great and I love them.

My mom is the first person I am thankful for. To start off my mom is the reason I am alive. She has loved and cared for me for 11 years. My dad helps me with math. He also protects me when I am scared and he warms me when I am cold.

I am thankful for my brother the reasons are. He plays with me when I am bored. My brother makes me get up and chase him. Also he is funny and makes me laugh when I am sad. The last person I am thankful for is my friend Lami. We play games together and facetime. I love her and I don't know what I would do without her.
