

## *Thanksgiving Day Creative Celebration*

*What are you thankful for this year?*

*I am thankful for my fiends so much because they are nice to me but my best friends are Lynne and Ava. They are in the same school as me. We have so much fun together at recess time.*

*I am also thankful for my mom and dad. I love them so much. My mom cooks the best food... I love it! My dad is cool and we love watching television together and we have lots of fun.*
