I'm thankful for my food, family and
I'm so thankful for learning. And I'm
thankful for my light, rest shelter
night, health and food for friends
and love and for everything thank for goodness
Send, take time to be thankful for
everything that you have. You can
always have more but you
could also have less. Be thankful
for food like dinner, lunch and
breakfast.

There is nothing you can
dream that you can't achieve.
Have the courage to go after
your dreams and believe.
