Mrs.Thalia Fasarakis

I am Thankful for the Amazing People in my Life

There are many things that I am thankful for. I will tell you the main people that I am thankful for and I'll explain why I am thankful for them.

My teacher is named Mrs.Thalia. I am thankful for her because she teaches me the common core which I need to know in order to pass the fourth grade. Also, when my classmates and I don't act mature she reminds us, in a nice voice, what is appropriate. I love how she is so active around us. She has fun activities for us, such as playing catch and friendship. She treats us like young adults. This is why I am thankful for Mrs.Thalia.

I'm also thankful for my loved ones which are my parents, grandparents, and my brother William. I'm thankful for them because they take care of me by giving me nice gifts, feeding me, comforting me, and making me happy when I'm sad. In addition they are very active when they take me to the park. They all make exercising fun. My loved ones also give me gifts with toys and money. They guide me to make better decisions in my life and they will be there for me for life when I get older. These are the reasons why I am thankful for my loved ones.

I'm thankful for the people that prepare me in life.
