For Thanksgiving I am thankful for  
a lot of things and people

This year I am thankful for my  
mom's friend Michele

I call her Aunt Shell

She has blue eyes

The color of the sky

She understands me

and is never mean

she will never make me eat anything green

She calls me bean

She is strong

she never gets mad when I do  
wrong

she always protects me

and keeps me safe from things I can't see

**I LOVE MY AUNT SHELL!!**

and its for her that I'm thankful
