Thanks To All

Wow! So much to be
thankful for this year.
I don't know where to
start. My Grandpa is who
I'm thankful for this year.

On November 12, 2016

my grandpa got away.
I miss him so much.

But I have great memories
with my grandpa. He
is the best who had been.

Of you hear a tall
knight, man you know
it's him. The bravest
man ever. I love
him the most. I am
his favorite grandkid.
The bible was his
life sometimes.

My favorite memory
of my grandpa is
baking cake. When I
was five my grandpa's
birthday was not celebrated
so my family decided
to make a cake on
thanksgiving. Every year
we make a cake together
on thanksgiving. Also
on birthdays too. Also
we liked to talk about
god. I loved going to
church with him.
Sometimes all of us get
pizza. My grandpa would
say pizza is medicine.
But it's itty.

I love him no
matter what. I am
happy to be his
granddaughter. I miss him
so much.
