Thanksgiving Poem

What Am I Thankful For?

Family.

I am thankful for my Family because they give me support.

They help me in tough times.

We all go through the tough times together.

We help each other no matter the weather.

My Family teaches me.

They teach me fun things, sports and jokes and music.

They have taught me serious important lessons like honesty and kindness.

My family is great and they love me.

That is something to be thankful for.

They give me care and shelter.

A loving home, with traditions and joy.

Delicious food and everything for me, a young boy.

Everything they do is in love for me.

To teach me and guide me.

On Thanksgiving and always, I am thankful for my family.
