

What We're Thankful For

By Grace Irving 3G

On Thanksgiving day what's most special to you?
Are you thankful for family or friends? Pets count, too!
Are you glad we have a roof over our head
Or how every night we get well fed?
I'm thankful for a Thanksgiving feast and roast
So silently let's make a thankful toast.
So let's all say what we're thankful for,
Let's thank until we can't anymore!
