

This Thanksgiving I am most thankful for...

having a great family. Another thing is having  
good friends. I am thankful I have food on the  
table and warmness. I am able to celebrate holiday.  
I am able to have a gift in it. I am lucky  
to get an education and a good teacher. I am  
very love things. I am thankful for the having  
parent who love me.
