

This Thanksgiving I am most thankful for...

I am thankful for life because it's so sweet,
born I could not enjoy nature I was appreciate
having education because if I didn't have it

I would not learn anything. I am also
thankful for having a family that loves me
because if I get sick my parents will take
me to a doctor. The last thing I appreciate
having is a teacher that loves me and helps
me company. And when I'm sad he will cheer me up.
