

This Thanksgiving I am most thankful for...

healthy food and clean water. I am thankful that I have a home and a loving family. I am so grateful that I have a cuddly friend to care for and clothes to keep me warm. I am most thankful for my parents, my school, and my teacher. Mrs. Jite who helps me learn many things. I am especially grateful for my health. I should be thankful for many things because out there in the world, there are many people who have nothing, not even a single piece of clothing. This is what I am thankful for this Thanksgiving.
