

# *I'm Thankful... for Everything!*

*-by Alina Alston*

*I'm thankful for big things and small.*

*I'm thankful for a mommy and daddy who care for me.*

*I'm thankful for rain so we can have abundance;*

*Thankful for farmers who work hard to send us food;*

*For friends that put a smile on your face when you are down;*

*For a bed to jump in when I am tired;*

*For a brother to play with*

*And a roof over my head,*

*For neighbors that are friendly,*

*And eyes that can see what God created.*

*Most of all, Thanksgiving that is almost here.*

*Thank you, God, for everything.*
