

## What I'm Thankful For

I'm thankful for spending time with my friends and family. Also, I'm grateful I get to play video games with them. In addition, I love to eat turkey with my family on Thanksgiving. Next, I'm thankful for Black Friday which is the one day that you can go and get things you want for low prices. Finally, I like to play board games with my cousins. In conclusion, these are some reasons I am thankful for my friends and family.
