

I'M THANKFUL

By Katherine Marie Ivlev

I'm thankful for my family and all my happy friends.

I'm thankful for the peace on Earth and fun that never ends.

I'm thankful to have books to read and all my special toys.

I'm thankful for my awesome school and all the girls and boys.

I'm thankful for my neighborhood, the parks and peaceful streets.

I'm thankful for Thanksgiving, the feast with tasty treats.

It took the generations to build this country up.

Remember to be thankful and keep your spirits top.
