I'm Thankful For.....

Thanksgiving is around the corner once again. My family will be having a huge feast at my house. Before we begin feasting on the delicious meal, my entire family prays and takes turns stating the things we are thankful for . I am thankful for many things in my life.

I am thankful for my family. They support me and keep me safe. They also provide me with healthy meals, shelter and fancy clothing.

In addition to my family, I am grateful for the education that Mrs.Thalia provides me with. She makes learning fun for me .

As you can see, these are the major things that I am thankful for.
