I Am Thankful

I am thankful for many things this year. Some things are small and some are big. Each thing has put a smile on my face.

The first thing I am thankful for is my family. They always make me happy. Recently my little brother, Beau, started going to my school and I am very excited about that. I am thankful for my cousins, Aunts, Uncles, and grandparents. Family is definitely the first thing I am thankful for.

I am also thankful for all the opportunities I have. They include being able to go to school, being able to go to my after school classes such as, ballet and tennis and being in this competition!

As you can see, I am thankful for many things this year, big and small. I am happy for each one of them.
