

What I am thankful for...

By Ryan Devlin

What are you thankful for? I am thankful for my family, friends and my house.

First, family is everything, nothing is impossible with family. My family encourages me and supports me in everything I do. I am grateful to have such a great family.

Second, friends always make life better. My friends will never discourage me. Also, they will help me in hard times. My life would be very dull and boring without friends.

Finally, I am thankful for my home. It is always a place where I am welcomed. It is where my happiness is at its highest. My home is where I feel safe. I am very blessed to have a home like this.

In conclusion, you can see why I am thankful. I am grateful for my great house, wonderful friends and an excellent family.
