Thankful For

This is everything I'm thankful for.

One of the things I'm thankful for is my family. I love everyone in my family because they care about me they give me food and buy me neat clothes also neat gifts. My favorite time with my family when we go to parties. The second thing I'm thankful for is my community. I'm thankful for my community because it's beautiful sometimes it's bad but I still love it. It also has trash and I pick it up. The third thing I'm thankful for is my friend. I'm thankful for my

friends because they take good care of me. They give me toys, they help me and love me.

The fourth thing I'm thankful for are my teacher. I'm thankful for them because they teach me lots of things like math, writing, reading, theater, library, science and gym. They also care about me. The fifth is my principal. She is important to me because

she helps me and takes good care of me. The sixth thing I'm thankful for is my school. My school is important because everyone takes care of me and my dad came to this school when he was my age. The last thing I'm thankful for is my life.

My life is important because I do lots of adventures and learn and be creative.

This is what I'm thankful for.
