Thanksgiving

I am thankful for many things this past year like my family. I am thankful for my family because if I didn't have my family no one will take care of me. Also because they love me so much and I don't know what to do without them. I am also thankful for my community. I am thankful for my community because they take care of each other. I am also thankful for my neighborhood because they help our community and people that are poor. The last thing that I am thankful for is police officers. I am thankful for police officers because if we didn't have police officers bad people will be doing bad things to other people and people will be dying. Also the world will be in danger. This is what I am thankful for and why I am thankful for. I hope you have a lot of things you are thankful for.
