Thankful for

I am thankful for many things one is family because they are there for me because my mom goes inside my heart and my grandmother loves me so much and takes care of me and she makes me feel like a princess and she is so kind and my brother

When I am
brother
and he
old and

Thanksgiving is 2 years
old and he loves me.

Another thing I am thankful for is the school because they are so nice to me and they work hard to help me learn new things. If I did not go to school I would not know how to write.

The last thing I am thankful for is my neighborhood there are a lot of kind people in my neighborhood there are generous people and some people know me. That is what I am thankful for.
